1. A new railway station especially for the Pirna-Sonnenstein compound is currently being constructed on the Dresden-Pirna-Ober-~~Wiesenburg~~ rail line; this rail line continues on to Czechoslovakia via Rathen, Koenigstein, and Bad Schandau. The new railway station lies between Pirna and ~~Servogelgesang~~ in the vicinity of the newly constructed road which leads directly to the Pirna-Sonnenstein compound. All private homes located in the area on which the railway is being constructed are being torn down.
2. Two large fuel tanks are being installed in the holes which were blasted at the Pirna-Sonnenstein compound.
3. VEB Kabelwerk Meissen is delivering cables to the Pirna-Sonnenstein compound.
